VA Hosts Jazz in the Park

On Wednesday, July 23 from 11:00 a.m. to 12:30 p.m., VA Western New York Healthcare System's Black History Committee will be hosting Jazz in the Park. This is the second time Jazz in the Park will be offered and it is open to VA Western New York Healthcare System employees, veterans, and the community.

Jazz in the Park will be held in Veterans Park, located by the Bailey Avenue entrance of VA Western New York Healthcare System Hospital, 3495 Bailey Avenue in Buffalo. This musical event allows people from the community to see a part of VA Western New York Healthcare System while experiencing a part of African American history. The band to perform is called "Jazz Band" and includes three VA Western New York Healthcare System employees; Gregory Nance, John Quagliana, and William Healy. Everyone is welcome.
