Veterans Enrollment Session at VA Clinic in Olean

VA Western New York Healthcare System will be holding an information event at the VA Clinic in Olean, 465 North Union Street to help Veterans learn about VA health care benefits and other benefits **Saturday, October 13**. The event will take place from 10a.m. to 1p.m. and offer a chance for Veterans to see VA health care available in their own community. Flu vaccines will be offered to Veterans at no cost enrolled in VA health care.

Veterans are encouraged to attend to learn more about benefits they may have coming to them as the Department of Veterans Affairs and other counselors will be on-hand and available to answer questions. Veterans need to bring their discharge papers along with their financial information from 2011 for accurate benefits counseling. VA offers a wealth of health care options to include benefits for returning Operation Enduring Freedom/Operation Iraqi Freedom/Operation New Dawn and Women's health and My Health eVet, an online personal secure health record.

For more information call 373-7709 or visit www.buffalo.va.gov or www.facebook.com/VAWesternNY.
