Veterans Information Event at Batavia VA

VA Western New York Healthcare System will be holding an information event at VA Western New York Healthcare System Batavia site, 2222 Richmond Avenue **Saturday, December 1** to help Veterans learn about VA health care benefits and other benefits. The event will take place from 10 a.m. to 2 p.m. at the Primary Care Clinic located on the ground floor of the medical center.

Veterans are encouraged to attend to learn more about benefits they may have coming to them as the Department of Veterans Affairs and other counselors will be on-hand and available to answer questions. Veterans need to bring their discharge papers along with their financial information from 2011 for accurate benefits counseling. VA offers a wealth of health care options to include benefits for returning Operation Enduring Freedom/Operation Iraqi Freedom/Operation New Dawn and Women's health and My Health eVet, an online personal secure health record.
