VA Western New York Healthcare System Shows Career Opportunities to Students During Take Our Children to Work Day

WHAT: Take Our Children to Work Day is an annual national event for children to learn about health care careers. VA employees bring their children who are in grades 6 through 11 to work, where there is a full day of learning about the variety of health care careers in a medical center. Tours and shadowing experiences are in the plan to introduce them to career fields such as a medical doctor, nursing, engineering trades, information systems, physical therapy, dental, and administration.

WHERE: VA Western New York Healthcare System
3495 Bailey Avenue, Buffalo, NY 14215
and 222 Richmond Avenue, Batavia, NY 14020

WHEN: Thursday, April 28, 2016 8:15-4pm
Media opportunity is from 8:15-9:30am in Buffalo and Batavia.
