American Legion David McKeever Post #64 Donates Van to VA Western New York Healthcare System

On Wednesday, September 26 at 10 a.m., American Legion David McKeever Post #64 in South Buffalo will present the keys to a new van they have donated to VA Western New York Healthcare System to be used by the Disabled American Veterans (DAV) Volunteer Transportation Network. The presentation will take place at the entrance to Veteran's Park at the Buffalo VA Medical Center, 3495 Bailey Avenue, Buffalo. In case of inclement weather, the presentation will be on the third floor, B-wing.

Through the DAV Volunteer Transportation Network, DAV volunteers drive Veterans to and from VA medical facilities for treatment. In 2011, Buffalo DAV Transportation carried 10,766 Veterans, drove 177,915 miles and drivers donated 18,130 hours. Drivers are always needed. If you are interested in volunteering, please contact Bob Mc Tighe at 862-7291.
